

Emergency Repair Clamp Kit

Product Release

05/2017

First Aid for Pipe Leaks

The Ford Emergency Repair Clamp Kit provides a proactive approach to pipe repair. Covering most pipe diameters between 4.50" and 33.74" (O.D.s), the repair clamp kit prepares any water utility for an emergency situation regardless of pipe size. The stainless steel bands are neatly arranged in a durable case that can be stored in the shop or truck. Let us help you stay prepared!

Easy Installation

1. Measure actual O.D. of damaged pipe with the provided O.D. tape measure.
2. Locate and assemble appropriate bands to fit pipe O.D. per the provided chart.
3. Lubricate EPDM gaskets.
4. Install on damaged pipe and torque nuts per installation instructions.

Features:

- Ability to repair leaking pipes by using different combinations of bands
- Type 304 stainless steel bands with EPDM gaskets
- Bands are fully passivated for corrosion resistance
- Combination chart easily identifies which bands to use in order to meet your O.D. requirements
- Durable, lightweight, weather-resistant storage case suitable for use in the field
- Replacement bands available from any authorized Ford distributor

FSERK-BOX	Plastic Carrier Box
FSERK-FOAM	Foam Insert for Box
OD-TAPE	O.D. Tape Measure
FLP-10	Lube Packet

Kit Options and Accessories

- **Wider Length Clamps** – For increased pipe coverage, order the FSERK-L15 for 15" wide clamps, FSERK-L20 for 20" wide clamps, and FSERK-L24 for 24" wide clamps.

- **Optional Tapped Panel** – The tapped outlet is 18-8 Type 304 stainless steel and is fused to the clamp band by a fully passivated TIG weld. To order, add the tap code from the table to the required stainless steel band.

Tapping Codes

CC (AWWA) THREAD		IP THREAD	
SIZE	CODE NUMBER	SIZE	CODE NUMBER
3/4"	CC3	3/4"	IP3
1"	CC4	1"	IP4
1-1/4"	*CC5	1-1/4"	*IP5
1-1/2"	CC6	1-1/2"	IP6
2"	CC7	2"	IP7

* Contact factory for availability

- **316 Stainless Steel Hardware Kit** – For kits built with 316 stainless steel, add "-Q" to the end of the kit part number.
- **HDPE Accessory Kits** – These kits contain Belleville/Spring washers for use with HDPE pipe.
